Discontinued Test/Adjusted Score Policy

Effective September 1 of the year that a new version of a Mississippi-approved assessment in the Mississippi Educator Licensure Assessment Program (MELAP) is implemented, passing scores from the most recently discontinued version of the assessment will be accepted for up to two (2) years from the date the assessment was discontinued. The most recently discontinued version of the assessment shall have been taken and passed on or before August 31 of the year the new version is implemented. An applicant for Mississippi educator licensure shall successfully complete current requirements of the MELAP if official test score results are no longer valid and reportable to the Mississippi Department of Education.

The chart below serves as an illustration of the assessment implementation process for a Mississippi-approved educator licensure assessment that is currently affected by the discontinued test policy. Official score reports shall be received in the Division of Educator Licensure via electronic score transmission directly from the administering testing company as applicable.

SAT Equivalent Scores to ACT

In accordance with Miss. Code Ann. § 37-3-2, from and after September 30, 2015, no teacher candidate shall be licensed to teach in Mississippi without meeting the criteria of a twenty-one (21) on the ACT equivalent or achieving the nationally recommended passing score on the Praxis Core Academic Skills for Educators examination, etc.

To fulfill teacher license requirements, candidates have the option of taking the ACT and/or the SAT. The chart below details the scores required to obtain the license based on the SAT equivalent at the time the test was taken.
